End of the CommonS Final Conference

Starting at 15:30 the meeting will host a special sessions dedicated to specific need of the hosted communities. One session already planned is organized by members of the CommonSpaces Community Impariamo ad Imparare, a teachers and education professional group. They will discuss on opportunities and methods to adopt CommonSpaces into their daily professional activities (Professional training, teachers qualification, teachers updating). We report here sketches from the program that is under responsibility of Impariamo ad Imparare scientific Committee
